II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rules 402, 403, 404, 404A, 503, 515A, and 518 to make minor non-substantive edits and clarifying changes to provide consistency and clarity within the rule text.

First, the Exchange proposes to delete the period at the end of subparagraph (a)(1) of Exchange Rule 402 and add “; and” for purposes of clarity in the rule text that both conditions listed in Exchange Rule 402(a)(1)–(2) must be met.

Next, the Exchange proposes to amend subparagraph (b) of Exchange Rule 402 to correctly spell the word “foregoing” in the last sentence.

Next, the Exchange proposes to delete the period at the end of subparagraph (b)(6)(i) of Exchange Rule 402 and add “; and” for the sentence to be grammatically correct and for purposes of clarity in the rule text that both conditions listed in Exchange Rule 402(b)(6)(i)–(ii) must be met.

Next, the Exchange proposes to delete the period at the end of subparagraph (c)(2)(i)(A) of Exchange Rule 402 and add “; and” for the sentence to be grammatically correct and for purposes of clarity in the rule text.

Next, the Exchange proposes to delete the comma at the end of subparagraph (g)(1) of Exchange Rule 402 and add a semicolon for purposes of clarity in the rule text.

Next, the Exchange proposes to amend subparagraph (i) of Exchange Rule 402 to remove the word “or” after subparagraphs (i)(1), (2) and (3). The purpose of these proposed changes is to provide consistency and clarity throughout the rule text.

Next, the Exchange proposes to delete the semicolon at the end of subparagraph (k)(1)(vi) of Exchange Rule 402 and add a period for the sentence to be grammatically correct and for purposes of clarity in the rule text.

Next, the Exchange proposes to amend Exchange Rule 403, Interpretation and Policy .02, to add a colon before the list in the second sentence, which uses semicolons for the sentence to be grammatically correct.

Next, the Exchange proposes to amend Exchange Rule 404, Interpretation and Policy .02(a), to remove the word “Pilot” when referring to the Short Term Option Series Program. The purpose of this proposed change is to provide consistency and clarity throughout the rule text as the Short Term Options Series Program is not a pilot program.³

Next, the Exchange proposes to amend Exchange Rule 404, Interpretation and Policy .02(c), to add the word “thirty” before the number in parentheses in the first sentence for purposes of consistency and clarity in the rule text.

Next, the Exchange proposes to amend Exchange Rule 404, Interpretation and Policy .02(e), to capitalize the word “rule” in the last sentence of this subparagraph for purposes of consistency and clarity in the rule text.

Next, the Exchange proposes to amend Exchange Rule 404, Interpretation and Policy .02(f), to add the number “(21)” after the word “twenty-one” for purposes of consistency and clarity in the rule text.

Next, the Exchange proposes to amend Exchange Rule 404, Interpretation and Policy .10, to update the name of one of the Exchange-Traded Funds (“ETF”) from “PowerShares Trust

³ See Exchange Rule 404, Interpretation and Policy .02.

“QQQ”)” to its updated name “Invesco QQQ Trust (“QQQ”).”⁴ According to the most recent Prospectus for the QQQ ETF, the ETF Sponsor changed that ETF’s name. Accordingly, the Exchange proposes to update the name of the QQQ ETF for consistency with the QQQ ETF’s Prospectus.

Next, the Exchange proposes to amend Exchange Rule 404, Interpretations and Policies .11, to add the number “(21)” after the word “twenty-one” for purposes of consistency and clarity in the rule text.

Next, the Exchange proposes to amend subparagraph (b) of Exchange Rule 404A to add quotation marks around the phrase “Exchange Traded Fund Shares” for the sentence to be grammatically correct.

Next, the Exchange proposes to amend subparagraph (d) of Exchange Rule 503 to: (1) change the word “an” to “a” immediately preceding the phrase “class-by- class basis”; (2) remove the space in the middle of the hyphenated word “class-by- class”; and (3) remove the word “the” before the phrase “...Members through a Regulatory Circular.” These proposed rule changes are to make the sentence grammatically correct and to provide clarity in the rule text.

Next, the Exchange proposes to amend subparagraph (e)(1) of Exchange Rule 503 to make two clarifying changes: (1) deleting the space between the words “market” and “place” in the second sentence; and (2) capitalizing the word “members” in the third sentence. The purpose of these proposed changes is to provide consistency and clarity throughout the rule text as “marketplace” is supposed to be one word and the term “Members”⁵ is a defined term in the Exchange’s rulebook that should be capitalized.

⁴ See Invesco QQQ Trust, Series 1 Prospectus, dated January 31, 2021, <https://connect.rightprospectus.com/Invesco/TADF/46090E103/P?site=ETF>.

⁵ The term “Member” means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed “members” under the Exchange Act. See Exchange Rule 100.

Next, the Exchange proposes to amend subparagraph (f)(2)(vii)(B)5.a. of Exchange Rule 503 to make two clarifying changes. Subparagraph (f)(2)(vii)(B)5.a. currently has two references to Interpretations and Policies of Exchange Rule 503, stated as “Policy .02” and “Policy .03.” The Exchange now proposes to insert the words “Interpretation and” in front of both of those references to Interpretations and Policies in order to provide consistency and clarity throughout the rule text.

Next, the Exchange proposes to amend Exchange Rule 503, Interpretation and Policy .03(f)(1). Currently, Interpretation and Policy .03(f)(1) provides as follows: “The System will broadcast a system imbalance broadcast message to all subscribers of the Exchange’s relevant data feed and begin an SSIP Imbalance Timer, the duration of which shall be determined by the Exchange and announced via Regulatory Circular, however it shall not to exceed ten seconds.” The Exchange now proposes to delete the word “to” at the end of that sentence in order for the sentence be grammatically correct and to provide clarity throughout the rule text.

Next, the Exchange proposes to amend subparagraph (a)(1) of Exchange Rule 515A to provide consistency and clarity to the rule text. Subparagraphs (a)(1)(i)–(iii) provide the three conditions that must be met in order for a Member (an “Initiating Member”) to initiate a PRIME Auction.⁶ The Exchange proposes to move the “and” from the end of subparagraph (a)(1)(i) to the end of subparagraph (a)(1)(ii), delete the period after subparagraph (a)(1)(ii), and lowercase the word “with” that begins subparagraph (a)(1)(iii). The purpose of these changes is to provide consistency and clarity to the rule text such that market participants know that in order to initiate a PRIME Auction, all three conditions of subparagraphs (a)(1)(i)–(iii) of Exchange Rule 515A must be met.

Finally, the Exchange proposes to amend subparagraph (b)(3) of Exchange Rule 518 to add a closing parenthesis around the phrase “as defined in Rule 518(d)(4).” The purpose of the

proposed rule change is for the sentence to be grammatically correct and for clarity in the rule text.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes the proposed changes promote just and equitable principles of trade and remove impediments to and perfect the mechanism of a free and open market and a national market system because the proposed rule changes will provide greater clarity to Members and the public regarding the Exchange's Rules. It is in the public interest for rules to be accurate and concise so as to eliminate the potential for confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes the proposed changes will not impose any burden on intra-market competition as there is no functional change to the Exchange's System and because the rules of the Exchange apply to all MIAX participants equally. The proposed rule change will have no impact on competition as it is not designed to address any competitive issue but rather is designed to remedy minor non-substantive issues and provide added clarity to the rule text of

⁸ 15 U.S.C. 78f(b)(5).

Exchange Rules 402, 403, 404, 404A, 503, 515A, and 518. In addition, the Exchange does not believe the proposal will impose any burden on inter-market competition as the proposal does not address any competitive issues and is intended to protect investors by providing further transparency regarding the Exchange's functionality.

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii)⁹ of the Act and Rule 19b-4(f)(6) thereunder.¹⁰ Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act and subparagraph (f)(6) of Rule 19b-4 thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the
